

MAKE AN IMPRESSION

Many take their hats off to Monena, especially to the wall rack range. Monena wall racks have their place in homes as well as offices. The range portrays personal style while taking the requirements of functionality into consideration. Time and consideration has gone into creating the final shapes. The end result is a beautiful harmony of steel, wood and details that lasts for decades.

Lobby Wall
design Jukka Setälä

The Lobby Wall hat and shoe racks belong to the Lobby line of products. Lobby Wall racks are suitable for public spaces and homes alike. The all-wood parts are of white pigmented birch, and the steel parts are coated with durable effect grey powder paint. The hat rack pegs are of nylon reinforced with fibreglass.

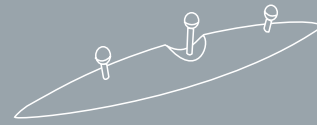

Hookworm
design Jukka Setälä

Hookworm – a fun wall rack intended for the office, restaurant and home environment. Comes in two standard lengths.

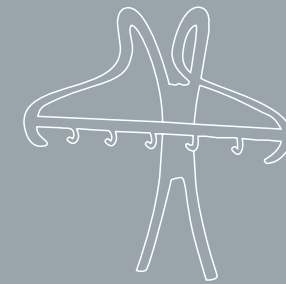

Riwi
design Olli Hämäläinen

Riwi – an interior decorative feature which can be used to harmonic effects in offices, hallways, kitchen or even bathrooms. Three different lengths make for the best possible result in the space available. Manufactured from durable solid birch.

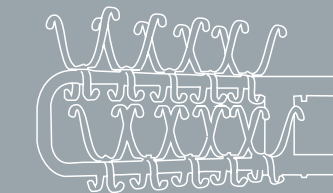

Harbour
design Olli Hämäläinen

Harbour – a wall rack in solid birch. Equally suited to the home or office. Choice of varnished birch and beech colour stained.

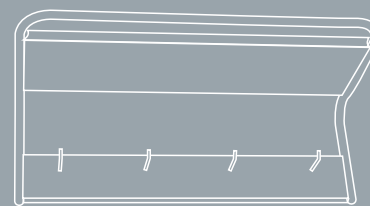

Papillon
design Sakari Holma

Reminiscent of a butterfly in appearance, this innovative wall rack is equally suited to the home or office.

Swing

A Swing rack specially designed for the restricted reception areas of restaurants where capacity is crucial factor. The rack is suspended from a wall bracket 1490 mm from the floor. The bracket has perforations at 10 cm intervals.

Unzo
design Jørund Ek

A new wall rack for home and office. Comes in many different lengths.

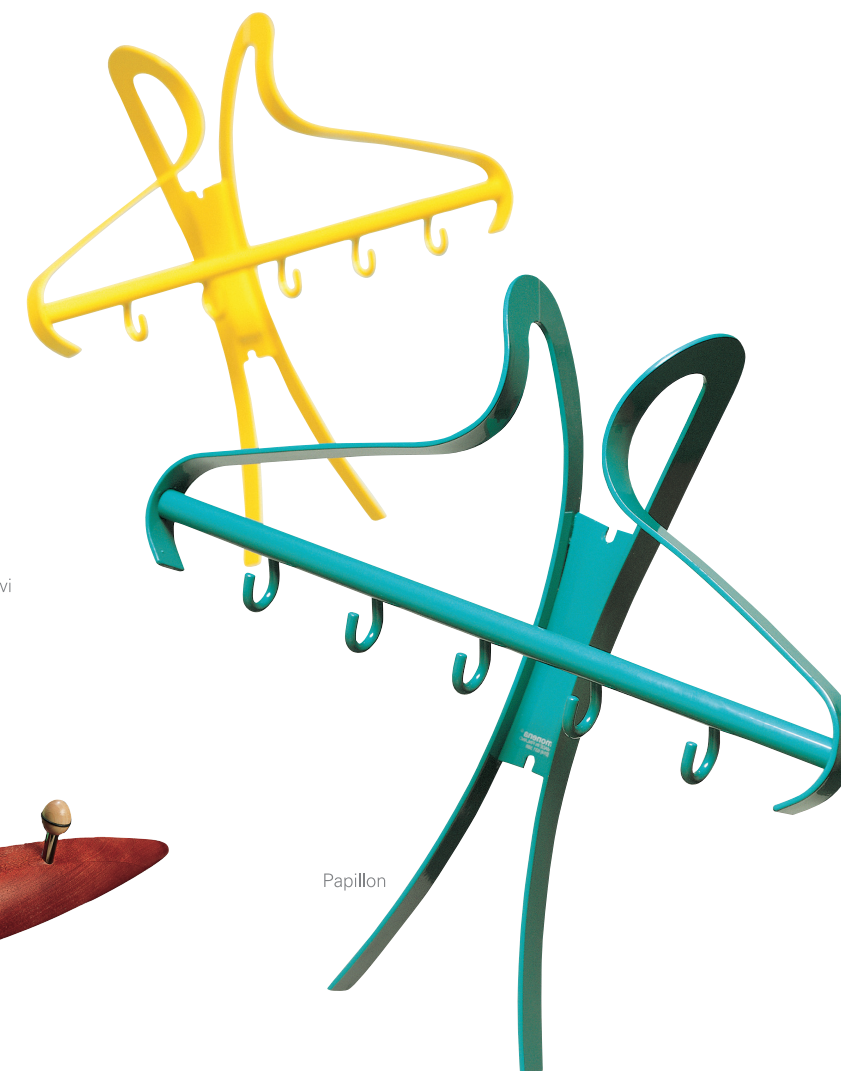

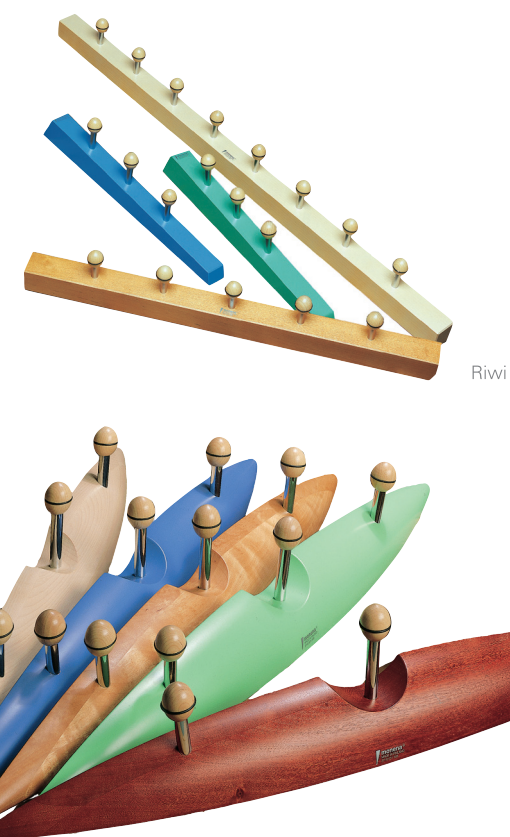

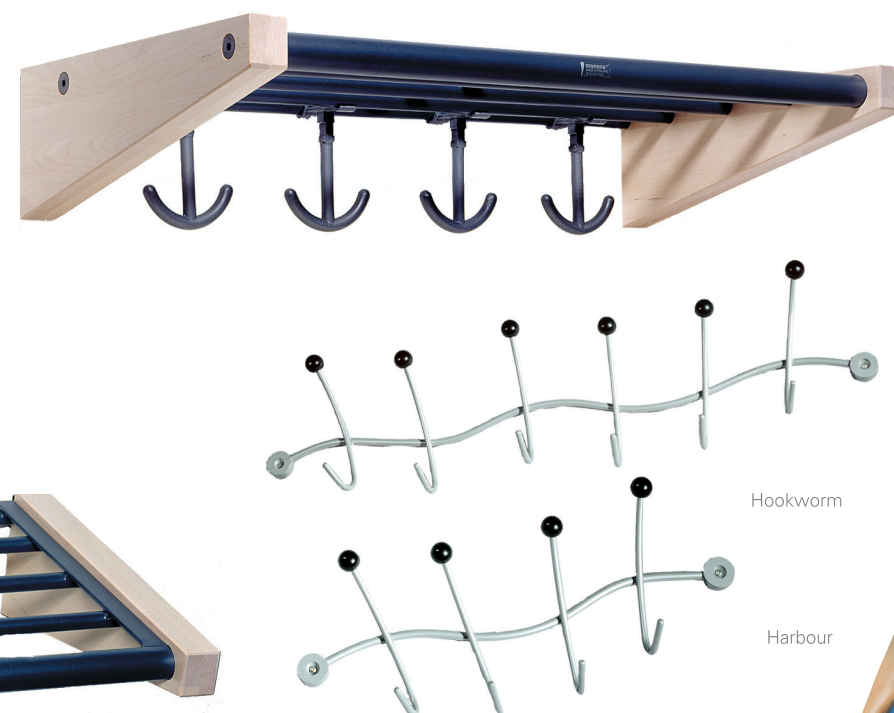

Iiro

Iiro is a basic hat rack for apartments. Equipped with a bar for clothes hangers. The hat rack is made from sheet melamine and the frame from chrome-rated steel.
